BEHIND A BLONDE

Barcelona is a marvelous city. It's sunny almost every day. The red hatchback had a snazzy black racing stripe on its hood. I followed it to a new gas station, maintaining a safe distance lest I rammed its rear and ruined my plan. Excitement mounting, I made a wide arc, all the while keeping an eye on my quarry.

When the driver, a stacked blonde, got out of the car—well, I couldn't believe my eyes! The whole thing was just too perfect. A sports bra and yoga pants accentuated her hot body. Luscious tits and a curvy ass to die for.

The chick was built.

My gaze torn between her killer caboose and the bumper sticker plastered to the rear of her car, I grabbed my dictionary from the passenger seat, uncapped my trusty pen, and proceeded to translate it, and I wrote . . .

WOULDN'T YOU RATHER BE BEHIND A BLONDE?

Of course this was a perversion of another sticker which actually read: WOULDN'T YOU RATHER BE BEHIND A BOOK?

I had spotted the decal by chance, finding myself behind the red hatchback at a busy intersection. Waiting at the red light, I had done a doubletake. The clever slogan—an advertisement for an independent bookstore—had triggered my creative juices in a big way, igniting my typically dirty mind which lived in the gutter. The idea had bloomed with jarring suddenness. Recognizing a golden opportunity, I had followed the car some six blocks to a shopping mall.

Now, having added a new entry to my journal, I sat there behind the wheel and watched the blonde enter the smoothie shop. Sometimes material just fell into my lap. I couldn't wait to get home, sit down at my computer, and shape the entry into a full-fledged bit for my next open mic routine.

"Mission accomplished," I muttered to myself.

But I didn't drive away. My dirty mind wasn't sated, not yet. The bumper sticker mocked me. "Wouldn't you rather be behind a book," I read aloud, shaking my head with dismay. "Fuck a book . . ." Inspired for the second time that day, I searched my glove compartment until I found a black marker. Then I got out of my car and approached the hatchback from its rear. Luckily the blonde had parked on the side of the mall; her car wasn't visible from inside the smoothie shop. Crouching behind the bumper, my adrenaline pumping, I crossed out "BOOK?" and replaced it with "BLONDE?" Much better, I thought, admiring my misanthropic handiwork before hastening back to my car and getting the hell out of there.

I returned to an empty apartment. Traci was probably at the supermarket. She went grocery shopping every Saturday, buying enough to last us the whole week. We had been dating for three years. She wanted to get married, wanted to make it official, but I wasn't too keen on the idea. I'll get to that later.

Sitting at the computer, my opened journal on the table beside my mouse, I shaped today's entry into something I could perform on stage. I aspired to be a professional standup comic. My day job was a dreary affair, boring and unfulfilling. Comedy was my passion. I was a regular on the local open mic scene, sharpening my craft three to four nights a month at various clubs around town.

Zeke's was my favorite spot. Their next open mic was scheduled for Monday, the day after tomorrow. I couldn't wait to try out my new bit.

I helped Traci with the groceries when she got home. Stowing fresh fruits and vegetables in the crisper, I entertained myriad naughty thoughts about the blonde from this morning. Those spectacular tits, that big ass. I was horny as hell. Traci and I hadn't screwed since last weekend.

"Want to fool around?" I asked after we had finished with the groceries.

She grinned coyly. "As a matter of fact . . ."

We migrated to the bedroom and got un-

dressed. Traci, short and petite, the blonde's opposite number in every way, wore her brunette hair close cropped. The neatly trimmed landing strip between her slender thighs matched the hair on her head. Her titties were itty-bitty, her nipples dark and conical.

We stood beside the bed in a loving embrace. I pressed my lips to hers. She stroked my cock. Slowly. Gently. I returned the favor, sliding two fingers inside her cunt. Traci was moist. I rubbed her clit, making her hotter and hotter until she all but begged for my dick. She lay on the bed, her thighs parted. She was so small, so tiny.

Cock in hand, I moved between her legs and guided it home. Her landing strip showed me the way. Traci gasped when I entered her, gasped and groaned. I started with a series of slow thrusts. My girlfriend's pussy was tight. I gradually increased the pace. It wasn't long before I was pounding her in earnest.

The blonde kept invading my thoughts. Those big, luscious tits. Her ample ass sure to jiggle when tapped from behind. Understand, I loved my girlfriend's body. But variety is the spice of life, right? I mean, shit, a man can't eat the same thing for dinner every night. Not unless he wants to go stark raving mad.

Traci was really getting into it. Panting loudly, she dropped a hand to her clit and played with it. Hoping against hope, I pulled out of her snug trench and pressed my engorged glans against her other hole. I thought she was good to go. I thought she was finally ready to take it up the ass. I thought wrong.

"No, baby," she protested breathily.

I had heard that before. Many times. Still, I wasn't going to make an issue of it. To do so would lead to a heated argument. I knew this from experience, bad experience. My girlfriend should have had DO NOT ENTER tattooed on her ass.

This is why I wasn't too keen on marrying Traci.

Despite my disappointment, I went back to poking her cunt until she came. Then I withdrew and dumped my load all over her flat chest.

The following Monday at Zeke's was typical.

Until it wasn't.

I'll get to that later.

Same old crowd. Same old comics. A bunch of amateurs, myself most definitely included. Bush League. But, hey, we had to start somewhere. I ended my ten-minute set with the new bit, the one about the bumper sticker. The crowd loved it. I was pleased. The new bit was a keeper.

Buzzing from the three beers I had swilled prior to my set, I exited the bar and walked to my car. A hand grabbed my shoulder and spun me around. I fully expected to see a gun-toting thug. Hell, I was already reaching for my wallet. Zeke's was in a pretty rough part of town.

Imagine my surprise when I found myself face to face with the stacked blonde! She looked even better, if that's possible, up close. Dolled up for a night on the town, she wore a tight-fitting white blouse, short houndstooth skirt, and a pair of knee-high black riding boots.

"Come here," she said, tugging my arm. "I want to show you something."

A strange greeting, for sure. Still, I followed her like an obedient dog, followed her all the way across the parking lot to her red hatchback.

"Look familiar?" she asked, pointing at the rear bumper.

Despite the poor lighting I could see the decal just fine. WOULDN'T YOU RATHER BE BEHIND A BLONDE? My finest work! Of course, the blonde had caught me red-handed. Having watched my set, she had put two and two together and determined that I was the one responsible for altering her sticker. I couldn't deny it. My closing joke had betrayed my guilt.

"You think you're pretty funny, huh?" she continued.

"I'll buy you a new sticker," I told her.

She considered my offer for a moment or two. "How about a beer?"

We went back inside and sat at the bar. She drank two beers to my one. Her name was Elke. I struggled to maintain eye contact. Her massive jugs were a magnet for my gaze. She had tried, Elke explained, to remove the sticker after her roommate had brought it to her attention.

"I couldn't get it off," she told me, "without making a mess. You know how some stickers are."

"Sorry for your trouble, Elke I don't know what came over me. It was an awfully immature thing to do."

"It's okay." She polished off her second beer. "But you can make it up to me."

"Of course. Whatever you want."

Turns out she wanted me to go home with her!

I had never cheated on Traci. There was a first time for everything. And what my girlfriend didn't know wouldn't hurt her. Besides, I had to get something out of this struggling

comic shtick. I sure as hell wasn't getting any money.

I followed Elke to her apartment. Her roommate, Mona, greeted us from the sofa. She was blonde like her roommate, blonde and buxom.

Elke said, "He's a comedian . . ."

"Cool." Mona muted their TV with the remote. "Tell us a joke."

I looked at Elke. She smiled knowingly. Let her rip, I thought.

"I was driving to work the other day," I began after clearing my throat, "when I saw a bumper sticker that read 'wouldn't you rather be behind a book?' Hell no, I thought. I'd rather be behind a blonde, preferably one with big tits and a tight pussy."

Mona's face lit up. "Crap on a cracker! You're the one who marked up Elke's bumper sticker!"

"The one and only," I replied.

"Crazy."

"Small world, huh?" Elke muttered.

I wasn't all that surprised when Mona followed us to Elke's bedroom. They seemed really close, almost sisterly in their bond. They probably shared everything. Like I said, Monday was a typical night at Zeke's.

Until it wasn't.

The roommates put on quite a show. I stood at the foot of the bed, my clothes piled on the floor with theirs, and stroked my cock while Mona went down on Elke. Elke writhed on the bed, her creamy white skin contrasting alluringly with a black comforter. Her sturdy legs parted wide, she ran her fingers through Mona's hair while her roommate licked and lapped her pussy with a most talented tongue. My attention was divided between Elke's spectacular tits and Mona's big butt. She was the kind of blonde I had had in mind when writing my joke, the kind of blonde I would love to get behind.

Of course, I could say the same for Elke. But I couldn't see her ass at that particular moment. Soon, I told myself, still jerking my prick.

"Come on, funny man," Mona urged me over her shoulder. "Get back there and pound my pussy . . ."

This, I thought, was no laughing matter! I climbed on the bed and skewered Mona from behind. Her ass was everything Traci's wasn't. Big and soft and pillowy, the butt equivalent of a luxury car. Holding her curvy hips, I thrust repeatedly, ramming my rod into her snug snatch. Her heavily padded ass was built to take a serious pounding. Trust me, I put it to the test. And them some.

Meanwhile, Elke had moved from beneath Mona. Now she lay beside her roommate, still in a supine position, playing with her pussy. I kept right on banging Mona, harder and harder, loving the way her durable derriere shimmied and shook. I planned on fucking her a minute or two longer before pulling out and screwing her roommate. Elke, however, had another idea. She turned over on all fours, assuming the doggy position beside Mona. But she didn't want my cock in her pussy. Oh no. She wanted it in her asshole; this became abundantly clear when she reached back with both hands and spread her cheeks nice and wide.

No sooner had she done this than I withdrew from Mona's juicy cunt and maneuvered my glans into Elke's back door. Her tight chute clenched my shaft as she pushed her ass against me. Inch by inch. My dick disappeared inside her. I took a few deep breaths, gathering myself for the forthcoming butt-bang, before proceeding to pound her with everything I had.

It was enough to make her come shortly before I pulled out and deposited my load on Mona's tongue.

Traci was reading when I got home. She didn't say a word about my being late. In fact, she didn't say much of anything. I couldn't have cared less. My new joke had gotten plenty of laughs.

And I had gotten behind not one, but two blondes!

LORENZO

FUCKING FLAT TIRE

The new tire cost me two hundred bucks, a significant amount for a guy living paycheck to paycheck. I had it installed during a two-hour lunch break which hadn't sat too well with my tyrannical boss.

My old apartment building had finally gotten a new roof. Goodbye leaky ceiling. No more buckets scattered about the place on rainy days and nights. No more maddening drip-drip-drip slowly driving me insane.

I should've been happy. And I was. Until the morning after the roofers had finished the job and I found my front right tire flatter than a pancake.

A quick inspection revealed the head of a roofing nail wedged between treads. I must've hit the damn thing the night before, triggering a slow leak, my tire getting flatter and flatter while I slept.

I called my boss and told him that I was going to be late. Then I spent the next hour changing the tire. Luckily, I had a fully inflated donut stowed in the trunk. Of course this was just a temporary fix. I needed a proper tire as soon as possible. Yet another unexpected expenditure to set me back; no wonder I couldn't get ahead financially.

The new tire cost me two hundred bucks, a significant amount for a guy living paycheck to paycheck. I had it installed during a two-hour lunch break which hadn't sat too well with my tyrannical boss. All of this happened on a Friday. I slept in on Saturday, ate a leisurely breakfast, then paid a visit to the rental office . . .

Portia was her usual cheery self until I slapped the receipt on her desk.

She peered at the document through her nerdy glasses. "What's this?"

"Receipt," I stated bluntly, "for a new tire."

I explained what had happened in a politely measured tone before requesting recompensation. "It's only fair," I continued, telling her that a check would be fine. "Or, if you prefer, just deduct the amount from next month's rent . . ."

Portia frowned. "I don't think we can do that."

"Fair is fair," I said. "You guys hired that particular roofing company, and they failed to keep the parking lot clear of debris. I'm certainly not responsible."

She hemmed and hawed. "Even if we could—and I'm pretty sure we can't—I'm not authorized to do such a thing. You'll have to talk to Rhoda."

Rhoda was the old battleax property manager. She was on medical leave, Portia explained, and wouldn't be back until the end of the month. Meanwhile, I was screwed.

Highly disappointed in the way things had turned out, I threw up my hands in despair and turned on my heels. I had my hand on the doorknob when Portia told me to wait a minute.

"I don't have the authority to do much of anything around here." She

LORENZO

FUCKING FLAT TIRE

came out from behind her desk. A lightweight summer dress complimented her willowy body. Long red hair flowed over her shoulder. She played with her lustrous locks and said, “Perhaps I could tide you over until Ms. Rhoda gets out of the hospital . . .”

“Tide me over?”

“Money isn’t everything. I—um—well, I’d be more than happy to provide another form of recompense for your financial hardship ”

“What did you have in mind?”

My pulse pounded as she locked the door and closed the blinds, effectively cloistering us inside the small office. Forking over two hundred bucks for a new tire sucked the big one. But Portia helped me forget all about that, especially when she crouched before me and lowered my zipper . . .

Her bespectacled green eyes bulged at the sight of my cock, her mouth forming an O. She proceeded to blow me in earnest, beginning slowly, gliding her moist lips up and down my rod. I sighed delightedly, hardly believing this fortuitous turn of events. Portia was right. Money isn’t everything.

She picked up the pace, jerking her head to and fro, faster and faster, all the while moaning and groaning with her greedy mouth full of manmeat. I grabbed a handful of her hair and thrust my hips, plunging my dick into her ravenous maw. My glans pressed the back of her throat, making her gag. I withdrew hastily. She sputtered and coughed. I asked her if she was okay. She told me to shut up and fuck her.

No sooner had Portia uttered the command than she hopped atop her desk and lifted the hem of her dress. I stood there for a few seconds, gathering myself and admiring the view. She lay there, her skinny legs opened wide to receive me. Her hairless pussy gaped invitingly, a glistening pink gash just begging to be banged.

I moved forward and did just that. Her young snatch was tight, clenching my shaft as I entered her. She sighed dreamily, raising her knobby knees as I commenced to fucking her with everything I had.

Red hair fanned wildly beneath her head, she turned her face to the side and bit her lip. The desk shook and shimmied as I upped the speed and force of my thrusts. An empty coffee mug rattled. A stapler danced. A ballpoint pen plummeted to the carpeted floor.

Unable to hold back any longer, I pulled out and dumped my load all over her taut tummy. Portia was in the bathroom when somebody--a prospective tenant, I assumed—knocked on the door.

“You’ve got a visitor,” I told her when she returned to unlock the door.

I was wrong. It was just Jack, the alcoholic curmudgeon who lived below me. Believe it or not but he had come to the office with the very same complaint. Hell, he even had a receipt from the same service center that I had used.

“You all should hire better roofers,” he complained to Portia. “Those assholes left nails all over the place. I’m lucky I didn’t get four flat tires!”

I slipped out without saying a word. Poor Portia. I hoped she didn’t feel obligated to fuck that old coot!
